Why Prefinish with A & F?

- A pleasing and consistent appearance with more uniform clarity, color, texture and sheen.
- Automatic door warranty protection.
- Smoother finishes; free of surface impurities.
- Compliance with environmental statutory and regulatory requirements.
- Lower finishing costs.
- Protection from adverse job site conditions.
- Superior service and problem resolution by dealing with one vendor.
- Faster project completion, with no field requirements other than installation.

A & F also has five other divisions!
